**COURT OF APPEALS**

PEOPLE OF THE STATE OF MICHIGAN,

Plaintiff-Appellee,

V

MARK D. ANDERSON,

Defendant-Appellant.

UNPUBLISHED

No. 233783

Wayne Circuit Court

LC No. 99-011012-01

Before: O'Connell, P.J., and White and B. B. MacKenzie\*, JJ.

WHITE, J. (*concurring*).

Any error in the court's denial of defendant's motion to suppress was harmless considering Ketchpaw's identification, the videotaped pictures, and defendant's presence in the white Ford Taurus. Further, any error in the court's refusal to grant an adjournment to allow for an independent psychiatric evaluation was also harmless in light of defendant's failure to make any showing that such a defense was viable. I join in the majority's disposition of the remaining issues.
